ALL ABOUT EQUINE ANIMAL RESCUE

Founded in 2009, All About Equine Animal Rescue, Inc. (AAE) is devoted to saving horses and other animals through rescue, rehabilitation, redeveloping, and rehoming efforts. Our volunteers and supporters help provide these abused, neglected, abandoned and unwanted animals with food, shelter, handling, and veterinary care. Our goals are to educate the community and raise awareness on the plight of horses, and to find the perfect forever homes for these lovely animals. We are excited to help celebrate ASPCA’s 150th anniversary and join in their annual Help A Horse Day!
